Monday, 19<sup>th</sup> May, 2014

Hand in hand my daughter [redacted] & I took the 1<sup>st</sup> steps in a journey of discovery & enlightenment ..... no, we are not talking about a visit to the gurus of the East.... but to THE Guru of the dental world, Zoltan! So to all your fabulous team ... we pay homage, we give thanks, & leave this place, stronger & more empowered to face our future smiling, at last.

All our love,  
x x x [redacted]
